Dear Kay

I am writing to confirm receipt of a cheque for £1000 on behalf of the Prisoners Education Trust and to thank you all for your continued support of our work. We are very fortunate to have such loyal supporters, particularly during these difficult financial times. Thankfully income has held up well over the last year and we continue to get the sorts of results that prove what a difference education can make to the lives of prisoners.

Only last month, we received a card from a prisoner whom we have been able to fund twice in the last 18 months to start Open University study. He passed his first course, and is now working hard in his second, with a clear determination to be employable after release. His card simply said, quoting George Eliot, 'It is never too late to be what you might have been.' We couldn't agree more.

I look forward to reporting on more success stories, but in the meantime, thank you again.

With best wishes

Catherine Gilmartin
